

# The Lost Chimes of DaVinci

## **RAIDERS** OF THE LOST ART

**Test your teamwork and puzzle solving skills!**

As a member of a crack Mi6 team, you must discover the whereabouts of the 'Lost chimes of DaVinci', a lost artifact that's said to play a tune from God himself !

But be careful, there's also a mole within MI6 that has a liking for rare historical artworks! With just 60 minutes on the clock, you and your team must work together to crack the codes, decipher clues, and work out not only the whereabouts of the Chimes, but who's the mole as well !

## The ultimate challenge for Mi6's finest agents!

'Raiders of the Lost Art' comes complete with a games master and assistant to guide the teams through the challenge and offer clues if help is required.

The games are built up in several layers of clues, including challenging activities, puzzles, patterns and codes. Whatever the teams are confronted with – they must face together as a group, working quickly and decisively to win the task.
